## **Special posthumously induction of 20 personalities at the Québec Sports Hall of Fame**

**14 athletes, 4 builders and 2 representatives of the media of the past will enter the Hall of Fame on September 28<sup>th</sup>**

**Montreal, June 20, 2016** – The Quebec Sports Hall of Fame will take advantage of its 26<sup>th</sup> Induction Gala to recognize, posthumously, the contribution of 20 personalities who all marked, in their own outstanding way, the Québec sporting history. Therefore, 14 athletes, 4 builders and 2 media representatives from different eras will be admitted to the Québec Sports Hall of Fame on September 28, 2016, at the prestigious *Le Mirage Golf Club*, in Terrebonne.

"We were faced with the fact that it was difficult to integrate many sports personalities who are now deceased, due to the limited number of Inductees into regular cohorts. Considering the duty of memory imposed by our mission, we asked our Selection Committee to go back in time and to present us with its recommendation of a group of personalities who have distinguished themselves by their achievement and contribution to sports. We are very proud to finally do justice to those legends of the past by securing a place for them in our Hall of Fame" said Mr. Jacques Baril, President of the Board of Directors of the Québec Sports Hall of Fame.

In addition to applying the usual criteria for identifying the Inductees, the Selection Committee of the Hall of Fame agreed to consider, for this particular cohort, only those figures who passed away before 2000.
